GARY A. SOJKA PAVILION: Sojka Pavilion provides the Bison men's and women's basketball programs with one of the finest arenas in the East. A "first-class" venue capable of seating 4,000 spectators for sporting and other campus events, the pavilion has walk-down access to all seats and unobstructed views of the playing surface or concert stage for all spectators. The seating bowl features approximately 1,500 fixed seats and 2,500 retractable seats, enabling an "expandable" open floor area with sufficient space for three basketball courts for recreational activities and varsity practices. The spacious upper-level concourse includes two concession areas, restrooms, handicapped seating and several suites that overlook the floor. Behind the scenes, on the floor level, Sojka Pavilion provides a green room for performance acts and other functions, a catering kitchen for special events, ticket windows, locker room space for home and visiting teams and officials, and a loading dock capable of accommodating team buses and production trucks for televised events.

MEDIA TIMEOUT POLICY - Media (90 seconds- first horn at 75, second at 90) time outs will be taken following the first dead ball after the 16, 12, and 4 minute mark of each half. Additionally, the first timeout called by either team in the 2nd half becomes a media timeout.

TEAM TIMEOUT POLICY - Each team will have one 60-second timeout, as well as four 30-second timeouts (only three 30-second timeouts may be carried over to the second half.) Any timeouts not used in regulation will be carried over into overtime. Each team will also be awarded one extra 30-second timeout for each overtime period.

INSTANT REPLAY - Only the replay operator, host facility administrator and game officials shall have access to the system and footage produced by the system during the game. Specifically coaching staff, scorer's table crew, athletic administrators, media, or any other person may not request to view any video in the system or have access to video files during the game. Only the game officials can request to view footage.

POST-GAME MEDIA – Approximately 10 minutes after the game ends, Bucknell head coach Nathan Davis and select Bucknell players will be available for interviews; followed by the visiting team's press conference. Following the press conferences, additional players may be made available for interview upon request. The Bucknell locker room is closed to all members of the media.
