# CROSS COUNTRY YEAR-BY-YEAR RESULTS

Over the past 40-plus years, the Bison men's cross country team has been one of Bucknell's most successful programs on the national level. The Bison won 18 straight conference titles between 1975-92, and have appeared as a team in the NCAA Championships nine times. The Bison had one of the most impressive winning streaks in all of collegiate sports snapped in 1990, when Connecticut handed Bucknell a dual-meet defeat. That halted a string of 167 consecutive dual-meet victories spanning 16 seasons. Since that loss to the Huskies, the Bison have gone 93-6 in dual-meet competition.
